

PENNSYLVANIA PAINT HORSE CLUB
Minutes of the General Meeting
April 21, 2007 – Dillsburg, PA

Meeting was called to order at 11:50 am. In attendance were Pres. Jim Vasellas, VP Dr. Lori Morris, Treasurer Maynard Long, Directory Judy Mante, Sandy Long, J. Gribble, Brenda Kurtz, JoAnn Mullins.

Jim Vasellas Commented on our lack of entries and ability to cover expenses for this show. Apparently, someone had contacted many of our regular exhibitors and told them our show would be too small to bother coming to, resulting in those exhibitors canceling their stall reservations and withdrawing from competition.

Discussion of show expenses followed, noting that all judges had agreed to flat rate fees, Dr. Morris had collected \$400.00 in class sponsorships, the former Futurity Chairman had returned \$506. In escrowed expenses, and with entry, stall and caper fees collected we should be able to cover expenses.

A Treasurer's report will follow.

Much discussion followed on fundraising projects. It was agreed that we must initiate fundraisers during the year, and not rely on our shows to finance the club. Currently, our May show is the most profitable, due to the Longs' generous contribution of their show grounds, and may make up some of the deficit from this show. Many suggestions were proposed, but not approved at this meeting.

The next general meeting of the PPHC will be Saturday July 28, 2007, at Long Acres, Carlisle, immediately following their show.

Respectfully submitted,

Judy Mante
